# General Sound Systems Equipment Panels

## Director III Control Panels

MCB300 Director III Channel "B" Program Control Panel Installation .....	KI-1604A
MCC300 Director III Intercom Control Panel Installation .....	KI-1605A
MCT300 Telephone Control Panel Installation .....	KI-1606
MCT300 Telephone Control Panel Operation .....	KI-1612
MCZ300 Director III Master Control Panel Installation .....	KI-1603
Director III Operation .....	KI-1616

## Director II Control Panels

MCI350B/DIR350C/DIR350LC Desk-Top Control Center .....	KI-1252A
--	----------

## Related Central System Components

*FMT65 AM/FM Antenna Wiring (included in MCX300 manual) .....	KM0710
MCX300 AM/FM Tuner and Cassette Player Installation .....	KI-1976
*MPX1100A Monitor Panel with Meter .....	KC0705D
*MTG100 Multiple Tone Generator, Diagram (in MCZ300 and MCI210 manuals).....	KC1309C
PSX300 DC Power Supply Installation .....	KI-1652
RDP1100A AC Distribution Panel.....	KI-1054B
*RX1027 Alarm Signal Panel, Schematic Diagram (in RK1400 manual) .....	KC0961B
SW25 and SWL25 Room-Selector Panels.....	KI-1200A
SWL425 and SWT425 Room-Selector Panels.....	KI-1243C
TGM5 Tone-Generator Module .....	KI-1379B
TW25 Two-Wire Adapter.....	KI-1234A
TZ25 Time Zone Adapter .....	KI-1237A
*ZPPC/50/100 Zone-Patch Panel Schematic (attached to TZ25 manual) .....	KC1367
1340 Priority Call-in Module.....	KI-1357
1341 Power-Supply Adapter Module .....	KI-1358B

**Miscellaneous Accessories**

\*DSS1 Dormitory Station Wiring Diagram..... KM0511C  
JN-0010A Rack Cooling Fan..... KI-1364  
MK1500 Mounting Frame for 15BBF and 15BBS Back Boxes..... KI-1184B  
RK1400 Rack-Mounting Kit for the 1402 Mixer-Amplifier ..... KI-1525  
RS508 Call and Emergency Switch Installation ..... KI-1562  
SK2522 Connector Kit (attached to the TZ25 manual) ..... KI-1564  
15BBF/15BBS Wall Mounting Back Boxes (for 1402 Mixer-Amplifier) ..... KI-1177

**General Sound Amplifiers**

DAX60 and DAX120 Amplifiers, 60-watt and 120-watt, respectively..... KI-1480B  
FAX120 Fire-Alarm Amplifiers, 120-watt..... KI-1466B  
FAX250 Fire-Alarm Amplifier, 250-watt..... KI-1383G

*\*The drawings marked with an asterisk may be found in the indicated manuals. If no manual is given, the drawing is attached to the end of this volume.*
