

Tread Wear Indicator

Place card into tire treads as shown. Be sure to check the tread depth at several points in each tire.

-  Optimum tread depth for peak performance
-  Reduced performance
-  Unsafe tread depth - replace tires now!

Get in the groove.

To maximize tire life and safety:

- Check tire condition and inflation pressure monthly
- Check inflation pressure on the spare tire and make sure the jack is in place
- Refer to your owner's manual for the recommended air pressure for your vehicle's tires
- Have your tires rotated and inspected regularly
