**CADENCE**—the musical instrument speakers

Making better, clearer, amplified sound waves is the **THING** Cadence does . . . better than anything else in the industry. Cadence Speakers are built to withstand heat from sustained notes at a high power level and the vibrations and stresses which are continually placed upon them. Cadence is guaranteed **one full year** at the power level specified. This proven speaker family has been selected by the manufacturers of most of the world's fine amplified music instruments.
