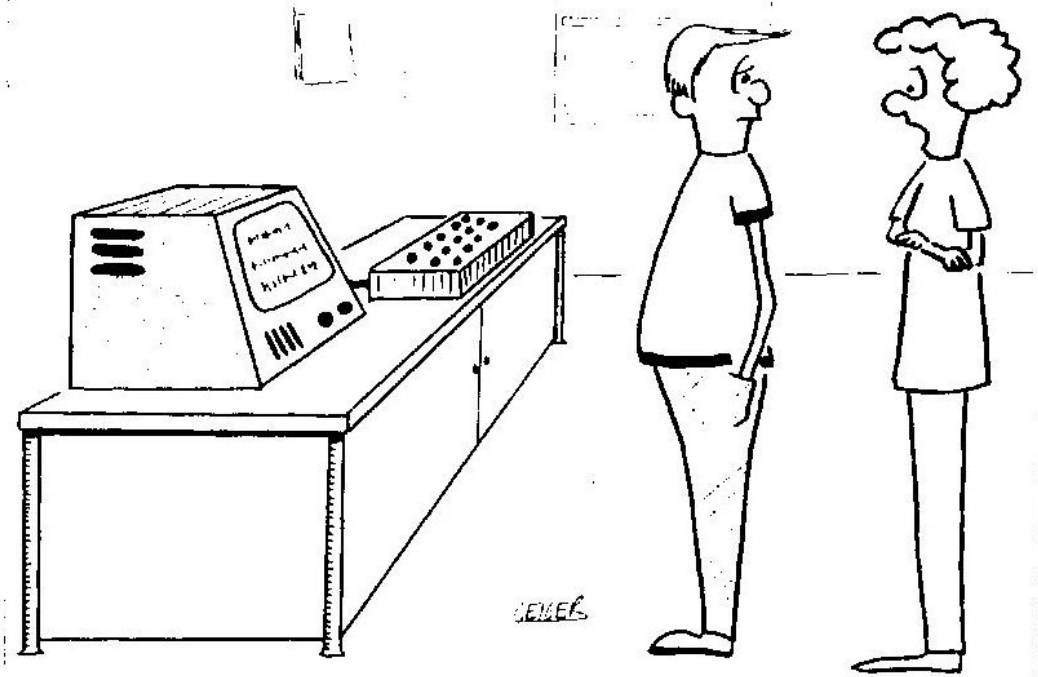
THE FIRST THING YOU'D BETTER DO WITH THAT COMPUTER YOU TALKED ME INTO LETTING YOU BUY, IS PROGRAM IT TO FIGURE OUT HOW WE'RE GOING TO PAY FOR IT.



AND OF COURSE, AN IMPORTANT FEATURE IN ANY PROGRAMMABLE CALCULATOR IS BRANCHING . . .

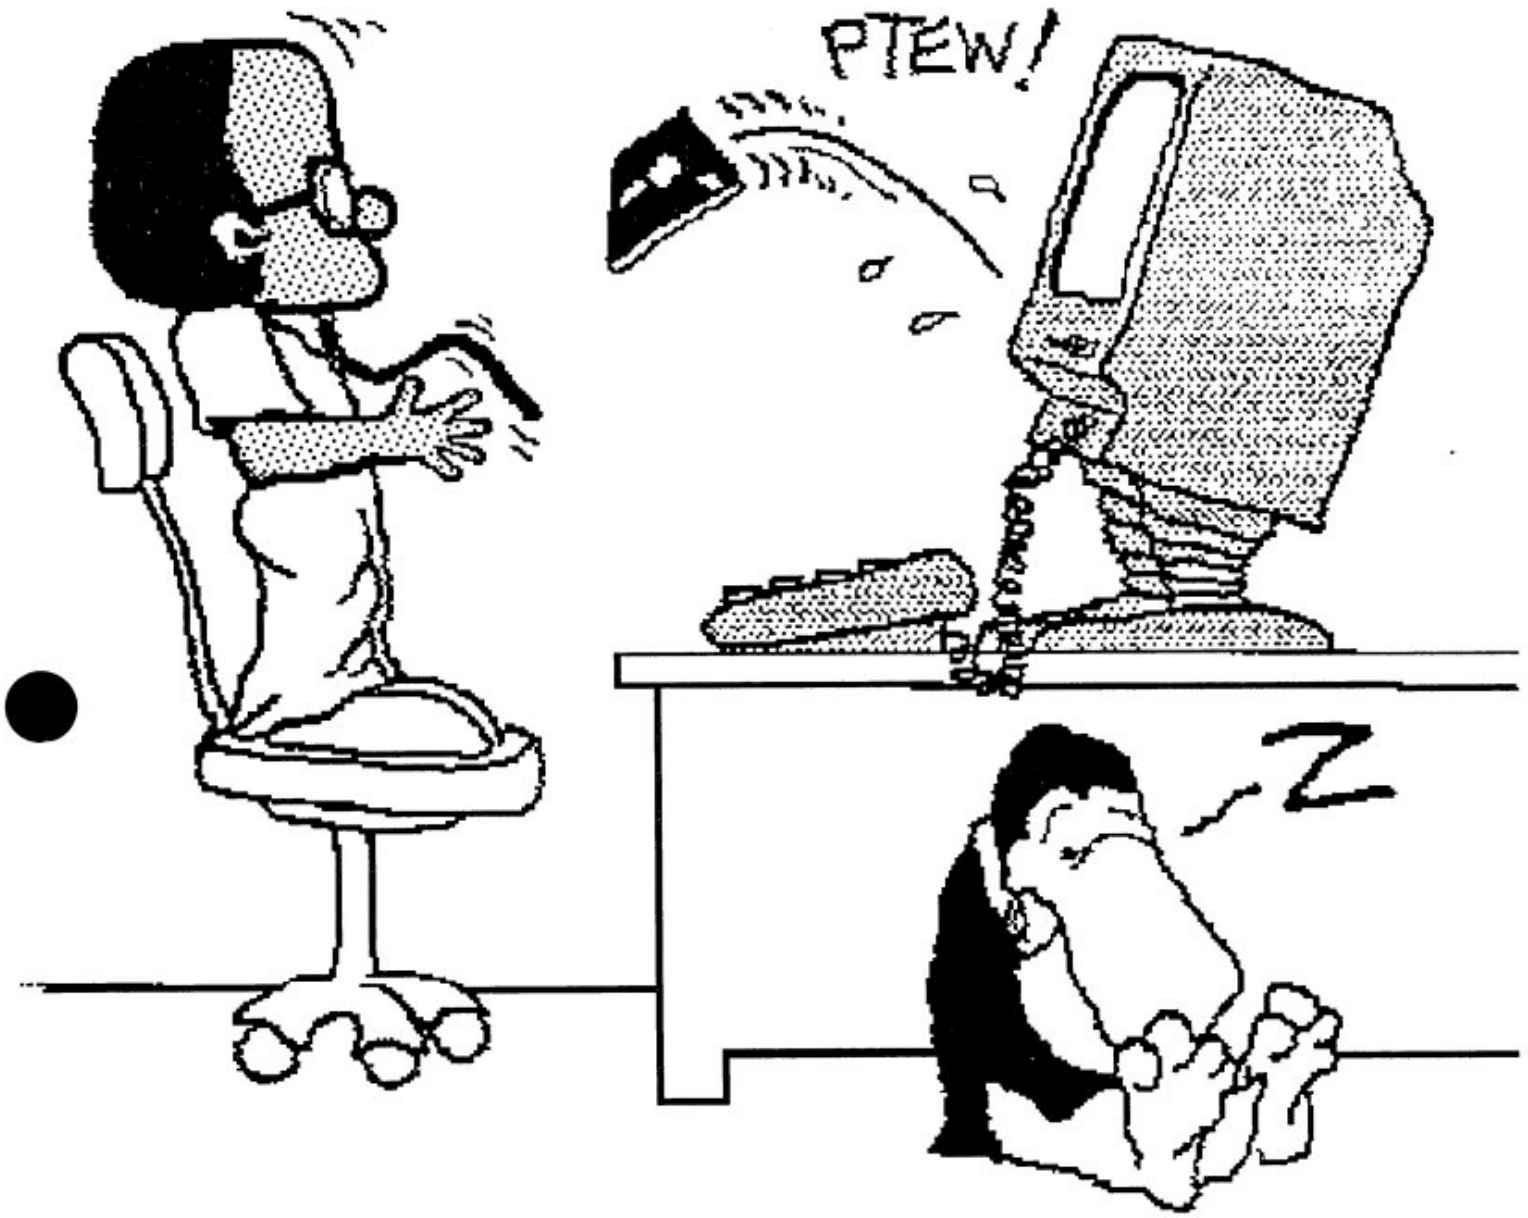
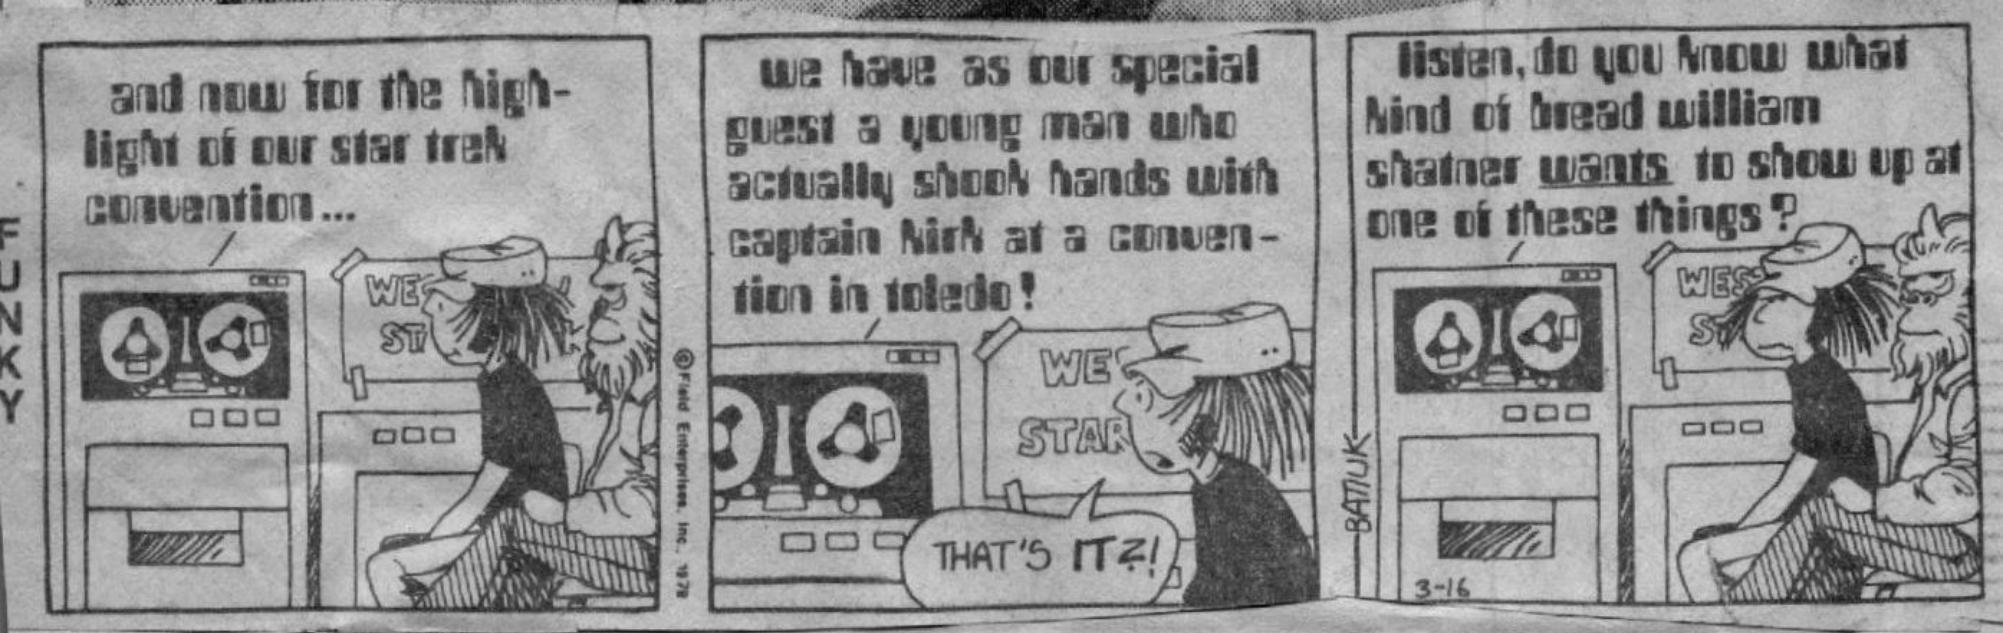
## This workshop is not *IBM* compatable!





and now for the highlight of our star trek convention...
WE ST
we have as our special guest a young man who actually shook hands with captain kirk at a convention in toledo!
WE STAR
THAT'S IT?!
listen, do you know what kind of bread william shatner wants to show up at one of these things?
