

## **BizWeb** presents *"How To Tie A Tie"*

As a service to the more fashion challenged (like me) BizWeb presents the following primer on how to tie a tie. And be sure to check out wh others are saying about BizWeb's H2TaT.

Note that all images below are mirror images. That is, it is what you would see when looking into the mirror.

---

### **The Windsor Knot**

Wide and triangular - for wide spread shirt collars

1. Start with wide end of the tie on your right and extending a foot below narrow end.
  2. Cross wide end over narrow and bring up through loop.
  3. Bring wide end down around behind narrow and up on your right.
  4. Then put down through loop and around across narrow as shown.
  5. Turn and pass up through loop and...
  6. Complete by slipping down through the knot in front. Tighten and draw up snug to collar.
- 

### **The Half-Windsor Knot**

Medium symmetrical triangle - for standard shirt collars

1. Start with wide end of the tie on your right and extending a foot below narrow end.
  2. Cross wide end over narrow and turn back underneath.
  3. Bring up and turn down through loop.
  4. Pass wide end around front from left to right.
  5. Then up through loop...
  6. And down through knot in front. Tighten carefully and draw up to collar.
- 

### **The Four-In-Hand Knot**

Long and straight - to complement a standard shirt collar
